

The First Step

-

Will Wood (traduction FR)

You could say I'm plastered, 'cause I hit the wall
I lost count after 21, in the college crawl
I been a boozin' bastard
They're calling me Edward Forty-hands 'cause I
can't touch anyone
With an enemy like me, who would need a friend?
Never mind, I'm drunk

Well, we've had enough power since the blackout
started
For an EKG for the broken-hearted
I'd try to see the glass as half full
But I'd probably just drink that too
Glass half full, I'd probably just drink that too

Ooh, yeah. I'm the reason they call it an ""Irish
Goodbye""
Ooh, and I hope I don't choke on my vomit tonight
Well, I bet that the bottle of brandy's so bitter'd
Be better than bitin' the bullet and betterin'
myself
Sorry if I slur

Take my anxiety and my sobriety
I'll kill two birds with one stoner
So if you see me please, take my keys
I don't wanna be an organ donor

Well, we've had enough power since the blackout
started
For an EKG for the broken-hearted
I'd try to see the glass as half full
But I'd probably just drink that too
Glass half full, I'd probably just drink that too

Well, I'm going down, and I'm taking you with me
I'm bringing the water to the horse
So bring me the hair of the dog that bit me
So I can clone it and have a little more, haha

Well, we've had enough power since the blackout
started
For an EKG for the broken-hearted
Yeah we had no higher power since that blackout
started
Oh, defibrillate all the broken-hearted

You could say I'm plastered, car je me suis pris le mur
I lost count after 21, in the college crawl
I been a boozin' bastard
They're calling me Edward Forty-hands 'cause I can't touch
anyone
Avec un ennemi tel que moi, qui aurait besoin d'un ami ?
Peut importe, je suis bourré

Eh bien, on a eu assez d'électricité depuis que le blackout a
commencé
Pour un EKG pour les cœurs brisés
J'essaye de voir le verre à moitié plein
Mais je vais sûrement boire cela aussi
Verre à moitié plein, je vais sûrement le boire aussi

Ooh, yeah. I'm the reason they call it an ""Irish Goodbye""
Ooh, and I hope I don't choke on my vomit tonight
Well, I bet that the bottle of brandy's so bitter'd
Be better than bitin' the bullet and betterin' myself
Désolé si je bafouille

Prends mon anxiété et ma sobriété
Je ferais d'une pierre deux coups
Donc si tu me vois prends mes clés, s'il te plait
Je ne veux pas être un donneur d'organes

Eh bien, on a eu assez d'électricité depuis que le blackout a
commencé
Pour un EKG pour les cœurs brisés
J'essaye de voir le verre à moitié plein
Mais je vais sûrement boire cela aussi
Verre à moitié plein, je vais sûrement le boire aussi

Eh bien, je tombe et je t'emmène avec moi
Je saurait faire boire un âne même s'il n'a pas soif
So bring me the hair of the dog that bit me
So I can clone it and have a little more, haha

Eh bien, on a eu assez d'électricité depuis que le blackout a
commencé
Pour un EKG pour les cœurs brisés
Yeah we had no higher power since that blackout started
Oh, defibrillate all the broken-hearted

I'd try to see the glass as half full
Even when I'm empty, half full
I try to see the glass as half full
But I'd probably just...
Glass half full, I'd probably just drink that too
I'd probably just drink that too

J'essaye de voir le verre à moitié plein
Même quand je suis vide, à moitié plein
J'essaye de voir le verre à moitié plein
Mais je vais sûrement...
Verre à moitié plein, je vais sûrement le boire aussi
Je vais sûrement le boire aussi
